

LOCAL AND PERSONAL.

Don't forget that school opens next Monday at Kenna.

John Mima came home to his claim last Monday. He has been away at work ever since last spring.

H. W. Colvare drove down to Roswell this week to get repairs for his mowing machine, so he can begin his hay harvest.

The old mowing machines that have been idle so long are being fitted up now, and there will be considerable prairie grass cut.

Frank King and his uncle, a brother of J. G. Greaves, left for Roswell Monday to spend a few days fishing and sight seeing. They expect to bring back a load of apples, for home use.

Huery Colvard had a fine prospect for a good broomcorn crop a few weeks ago, but the hot weather following the rains hurt it badly, on account chiefly of the ground being so weedy.

John Rogers and uncle John Beavers stayed for the election Tuesday, to help "save the country," and then pulled out for Roswell, after apples. They will be gone "till they get back," was the best information we could secure.

Kenna now has a freight depot (?). A box car was set off here this week for that purpose. Very convenient—as when that car gets full the Company can set off another one, and so on ad infinitum.

NOTICE TO SCHOOL PATRONS.

The Kenna School Board has contracted with Prof. P. A. Grove for the winter term, and school will open Monday Sept 12.

Prof. Grove is a man of ripe experience as an instructor, and there is no doubt we will have a fine school. He will move his family to Kenna and be a resident of our little berg.

CHANGE OF FIRM.

Elsewhere in the Record you will find the business ad of P. T. Bell and Co., success to the Kenna Mercantile Co. The deal was effected only recently, and Mr. Bell took active charge of the store last Monday morning. You will see by the ad that the new firm of P. T. Bell and Co., is out for business and is already offering you bargains. Drop in and see the new manager of the new Company. You will find him chock full of business, and as friendly and smiling as a candidate for office.

A CORRECTION.

In a recent issue of the Record we printed a clipping on the subject of mothers allowing young girls too much liberty, and the age mentioned in the clipping was 19; but undoubtedly the compositor who set the original copy made a mistake in setting the item, and making it "19" instead of "16". Of course young ladies of 19 are supposed to have arrived at the age of discretion, and are not under such restriction.

Harry Goodin ex-Agent at this place, has been relieved, on his own request, and will go to Missouri to take a position on the Frisco. W. H. Collins, the new agent, comes from Mendota,

Notice is hereby given that by the Act of Congress, approved June 22, 1910 (Public-No. 229), it was enacted—

That an additional land district is hereby created in the Territory of New Mexico, to embrace lands described as follows: Beginning at the point where the township line between townships four and five north of the base line parallel intersects the boundary line between the Territory of New Mexico and the State of Texas; running thence west from said intersection along township line to its intersection with the line between ranges fifteen and sixteen east of the New Mexico prime meridian; thence south along said range line to the township line between townships five and six south; thence east along said township line to the boundary line between the Territory of New Mexico and the State of Texas; thence north on and along said boundary line to the place of beginning; and that Fort Sumner, within said district, is hereby designated as the site for the land office thereof.

In pursuance of said Act of Congress the land office at Fort Sumner, New Mexico, will be opened for the transaction of public business on October 1, 1910. The Registers and Receivers of the land offices at Roswell and Santa Fe, New Mexico, will transact no business pertaining to the lands included within the above-described boundaries after September 30, 1910.

Given under my hand at the City of Washington, District of Columbia, this fifteenth day of July, A. D. 1910.

FRED DENNETT.

Commissioner of General Land Office.

Texas, where he has had charge of the station for the past two years. He has a claim in 5-27, and took this position in order to be near his land. He and his family for the present will occupy the Central hotel building, and he will start his boy to school next week.

Two of Frank Henderson's brothers were visiting him for a couple of days this week.

H. W. Fry, who has been working in Oklahoma for some time returned to his claim last week. He did very well while he was gone, and says he can stay at home awhile now.

Ernest Padlock and family are expected back next week to resume life on the prairies.

Don't Break Down.

Severe strains on the vital organs, like strains on machinery, cause break-downs. You can over tax stomach, liver, kidneys, bowels or nerves with out serious danger to yourself. If you are weak or run down, or under strain of any kind, take Electric Bitters the matchless, tonic medicine. Mrs. J. E. Van de Sande, of Kirkland, Ill., writes: "That I did not break down, while enduring a most severe strain, for three months, is due wholly to Electric Bitters. Use them and enjoy health and strength. Satisfaction positively guaranteed 50c. at all Druggists."
